Dear Professor Ningmu Zou,

I hope this message finds you well. I am writing to extend a sincere invitation for an academic visit to the City University of Hong Kong. We would be honored to have you from 16 August to 23 August, 2024, in the Department of Biomedical Engineering. We are keenly interested in the opportunity for our students and faculty to engage with you, learn from your experiences on imaging analysis, AI applications in optics, and explore potential areas of collaboration. If you decide to accept this invitation, please let me know if you require any assistance with travel arrangements or documentation.

Thank you for considering our invitation. We look forward to seeing you and engaging in fruitful discussions.

Best regards,

Sincerely,
